

CAMP CHIKOPI

Founded 1920

TRADITIONAL SPORTS & WILDERNESS CAMP

Ahmic Harbour, Ontario, Canada

Type Of Program: Traditional Sports activities, wilderness, camping and canoe tripping.

Participants: Boys aged 7-17, **Enrollment:** 85

Program Dates: See Registration form for session dates and fees.

Head Of Program: Bob Duenkel, 37th Year As Director

Location

Situated on beautiful Ahmic Lake and surrounded by deep green forests, Camp Chikopi is located on 400 acres in the Almaguin Highlands of Ontario, about 185 miles north of Toronto and 30 miles east of Parry Sound. Our nearest town is Magnetawan, 7 miles from us with a population of 150.

Background And Philosophy

Husband and wife owned and operated. Camp Chikopi was founded in 1920, by Olympic Coach, Matt Mann. It is one of North America's finest combinations of sports and wilderness in a traditional camp setting. We provide the setting for campers to improve self-confidence and think more positively in any challenge that arises. Camp Chikopi offers high quality, welltrained staff to provide sports instruction and skill enhancement. We often have visiting Olympic and National coaches. Specialized development programs are offered in swimming, soccer, tennis, softball and sailing. Other sports include lacrosse, archery, field hockey, mountain biking, ultimate frisbee, football, basketball, volleyball, wrestling and many more. There are excellent canoe trips in nearby Algonquin and National Provincial Parks as well as in Ontario's extensive rivers and lakes region. Camp Chikopi has cabin accommodation with live-in leadership and family-style meals. Campers and counselors attend from all over the World, there is a 3:1 camper-staff ratio.

Camp Chikopi has been providing the challenges of nature and life, along with sports and camping, since 1920. Boy's enroll from the four corners of the globe. Friendships made last forever. With all those boys there is never a dull moment. Spirits run high, campers build their confidence and accomplish challenges they never thought they could. Camp Chikopi provides the experience every boy should have at least once in his lifetime, in a fun, safe environment. Camp Chikopi provides opportunities for personal growth and strong relationship building. Some of the most important gains of the Camp Chikopi experiences are independence, self confidence, resilience, (safe) risk taking, and diversity.

Daily Schedule

Days run as follows: early-bird fitness activity, breakfast, daily inspection/cabin cleanup, three class periods of sports instruction, lunch, mail call, tuck shop/rest period, team practices: (sailing, soccer, softball, swimming, tennis), camp team game/activity, elective activity, dinner, organized evening activity, camp fire/special event, snacks and bedtime. Sunday is usually marked by day trips.

Program Offerings

Camp Chikopi offers team and individual sports. Individualized instruction and skill enhancement are provided in more than twenty-four different sports. Through participation, campers excel in their preferred sport and gain proficiency in others. Campers are given the leadership, guidance, and coaching to achieve their best. Camp Chikopi stresses safety, while providing fun and excitement to achieve success. That's what summer camp is all about.

Sports

Camp Chikopi offers more than twenty-four different sports. These sports help build fitness, stamina, and flexibility in each camper. More importantly, participation helps to build self-confidence. Water sports range from swimming and water-polo to kayaking, canoeing and sailing. Land sports range from soccer, tennis, and baseball to golf, basketball, and track and field. Inter Camp Competitions include sailing regatta, running races, softball, soccer, triathlon and swim races. The coaching staff are champion athletes or teachers of champion athletes.

Wilderness

The canoe trips, which the 7 week and the second 4 week session campers experience, are a challenging and rewarding part of camp. The camp is located in a region of Ontario popular with canoeists, and the scenery is spectacular. The environmentally low-impact tripping programs make the trips a resourceful experience. There are daily hiking trips, great fishing, and time for appreciation of nature.

Swimming

Chikopi is Internationally known for teaching the fundamentals of swimming for all levels of ability, from those learning to swim to those with an enthusiastic competitive swimming background. More than 350 All-Americans and 40 Olympians have trained here. We have 50 meter and a 25 yard pool built right into the Lake. Recreational swimmers not involved with the competitive swim team improve swimming skills and develop water confidence.

Triathlon

This is ideal for those experienced in, or beginning to learn about the advantages of triathlon training.

Enrollment

Chikopi is limited to 85 campers. Staff and campers attend from countries all over the world. Approximately 70% from North America. 2011 Return rate = 65%.

Extra Opportunities And Activities

Four or five day canoe trips are taken at the beginning of August. Camp Chikopi and sister camp, Ak-o-Mak, get together about once a week. Inter Camp Competitions include, sailing regatta, triathlon, duathlons, 12-kilometer road race, 3 x open water swims, soccer, and softball match. Off camp competition includes open water swim race at Barrie, Ontario.

Facilities

The Camp Chikopi campus is located across the lake from sister camp, Ak-o-Mak. Each is characterized by its surroundings of rich forests on a quiet lake. Camp Chikopi has 2 large grass playing fields, soccer field, 3 tennis courts, basketball courts, beach volleyball, golf driving range, biking and hiking trails, softball diamond, indoor weightroom, indoor badminton/volleyball courts, wrestling, 50 meter and 25 yard bulkhead swimming pools. We have a huge collection of boats from which to choose, including a fleet of cedar strip canoes, sunfish and hobie cat sailboats, flatwater kayaks, and windsurfing equipment. The sauna, archery range, bocce ball courts, tether ball poles and horse shoe pits are a huge hit on the campus. Our Library and Game Room comprises of an extensive collection of books, board and table games. Campers live in 14-man cabins with 2 or 3 counselors. Nutritious, home-cooked meals are hand prepared in the modern kitchen and enjoyed in the MainHouse, no processed food. Laundry is done on the premises. Facilities, water and services are inspected by government health officials and meet all standards.

Staff

Each camper's health and safety is a priority to the staff. Our small classes and method of instruction emphasize individual attention. For that reason, camp enrollment remains small. A 3:1 camper-staff member ratio means continual assistance and guidance on the spot. All counselors and staff have undergone a safety background check, have current First Aid, CPR and Life Guarding certifications. Each one has a diversity of talents and he is handpicked from qualified university students from all over the world. Almost every staff member attended Camp Chikopi as a camper. They are part of a tradition that molded and continues to mold the thousands of boys who cherish their Camp Chikopi experiences. The senior staff consists of college and high school coaches.

Medical Care

Personal health and safety are carefully and continuously monitored on a daily basis. Health files are kept on each camper. Doctors office and Hospital facilities are a short drive from camp.

Religious Life

Camp Chikopi is nondenominational. We do not provide access or transport to any Churches. Everyone at Camp Chikopi participates in our weekly vesper service, where we stress the importance of good citizenship, morality, honesty, character, loyalty and friendship.

Costs

Cost for Camp Chikopi sessions are shown on the accompanying Registration form. Additional costs include, 13% Government taxes. Transportation to and/or from camp, rental of camp bedding, life jacket or storage trunks. Tuck shop deposit of \$200/\$300 to cover candy and personal purchases made in the camp store. Canoe trips, and off camp swimming races will be added to the Tuck shop. A full, itemized tuck shop account with any refund due will be issued at the end of camp. Various payment plans are available.

Transportation

Transportation to Chikopi is offered from Toronto Pearson International Airport or The Four Points By Sheraton Hotel Lobby. Parents may also drive directly to Camp Chikopi, we are approximately a 3½ hour drive from Toronto.

Application Timetable

Applications are accepted on a first-come, first-served basis.

Standards

Since Camp Chikopi's founding in 1920, Standards have offered Chikopi a benchmark for sound operation and administration. Throughout the years, the Camp Chikopi Board Of Directors has reviewed and revised the standards; today, these standards cover every aspect of Camp Chikopi's operation.

To maintain Accreditation and membership in the Ontario Camping Association, camps have to meet an exacting number of Standards.

The standards listed in the OCA Guidelines for Accreditation manuals fall into the following categories:

- Health
- Campsite, Facilities and Equipment
- Leadership
- Programs
- Day Trips, Overnights, Canoe Trips
- Wilderness Travel
- Administration
- Transportation

Subsections within each of these categories cover specific topics. In Health, for instance, there are sections on Water Supply, Sanitary Facilities, and Food Service. The Programs section covers such activities as swimming, sailing, canoe tripping and archery. In all, there are over 400 separate standards, although the exact number that Chikopi must follow depends on whether or not the standard applies to Chikopi.

Each standard takes the form of a question which an OCA Standards Visitor asks the Chikopi director during an OCA Standards Visit. Examples of these standards include:

- Does the camp have at least one of the following on-site full time: a licensed physician; a currently registered nurse; a certified first aider?
- Does the camp menu follow Canada's Food Guide?
- Do sleeping quarters, other than tents, where no beds are provided, have a minimum of 3.72 square metres (40 square feet) for each occupant?
- Does the camp's waterfront director have four years of experience?
- Does the camp have comprehensive liability insurance?

As you can see, the standards questions are very specific. Each of the standards listed above is a major standard - these are considered to be the most important for the camp's safe and efficient operation. To receive or maintain its OCA accreditation, Chikopi must meet *all* of the major applicable standards, and 90% of all applicable standards.

Rates, Dates and Further Information

Summer 2012

Full Session 7 Weeks	Wed. June 27 - Wed August 15	\$4,800.00 plus 13% HST = \$5,424.00
First Session 4 Week Session	Wed. June 27 - Wed. July 25	\$3,200.00 plus 13% HST = \$3,616.00
2 Week Session	Wed. June 27 - Wed. July 11	\$1,700.00 plus 13% HST = \$1,921.00

- 6.00pm Dinner
- 7.00pm Organized Evening Activity
- 8.30pm Camp Fire/Playhouse Activity
- 9.30pm Snack & Bed (Younger Cabins Go Earlier)

Camp Chikopi Competitive Swim Team Program

Thank you for your interest in the Camp Chikopi competitive swim program. Chikopi was Established in 1920, by Olympic Swim Coach, Matt Mann II. Chikopi is the world's first competitive swimming camp, our program's emphasis is on individualized instruction in stroke mechanics, improving speed, and building self-confidence. We do this with a staff of experienced coaches and a group of visiting coaches from Olympic, national, university and high school levels.

Our competitive program is open to all campers, those who are just learning to swim are given the instruction they require to become competent, confident swimmers. Our 50m and 25y in-the-lake pools offer swimmers a refreshing change, it takes the boys out of the chlorinated pool and into a clean-water lake. Additionally open-water training smoothes out strokes and provides for great endurance training.

Swimmers have the opportunity to be in the water three times daily. Pre breakfast is an open water endurance swim. The morning class concentrates on stroke technique, starts, turns and drills. The afternoon "Team" practice provides an opportunity to work against the clock or on a more individual basis with the coach, concentrating on anaerobic training.

When not in the water, our blend of sports and camp experiences provides the setting for everyone, not just the competitive swimmers, to improve overall fitness and build self-confidence. We supplement our swimming workouts with over 25 varied land and water sports. Our water sports range from swimming, canoeing, sailing, kayaking, windsurfing, and water polo. On land, we have sports ranging from team handball, lacrosse, mountain biking, and basketball, to soccer, baseball, wrestling, tennis and golf. Your son does not have to be good in any of the sports to participate. We give each camper the opportunity, leadership, guidance, and coaching to do his best. One of our many highlights is our canoe trip. We are in the canoe tripping region of Ontario, and the scenery is spectacular. The trips are fun, challenging and a resourceful part of camp. Paddling muscles and swimming muscles are one in the same, a good strength builder. Swimmers get stronger, faster.

We are a fun, safe camp. With a 3-to-1 camper-to-staff ratio, constant supervision and individualized attention are guaranteed.

We do something of everything each day. No day is routine. Special events include 3K open water swim race, 1 mile open water swim race, 12K road running race, Barrie open water swim race, tubing in the rapids, swimming against the rapids is like swimming in your own flume, sailing regattas, weekly get-togethers with our sister camp, Camp Ak-o-Mak. Campfires, cookouts and other activities that truly epitomize the summer camp experience. Choosing the right summer camp for your son is a careful and planned decision. In addition to the printed information we have provided, we are easily accessible for questions or concerns. Just give us a call. We also have numerous current and past camper-parents with whom we can put you in touch with to discuss camp. We look forward to hearing from you soon, and having your son join us in the exciting Camp Chikopi experience this summer.
